The most significant tax positions of Austin Ed Fund are its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business income tax (UBIT). Management has determined that Austin Ed Fund had no activities subject to UBIT during the year ended December 31, 2024. All significant tax positions have been considered by management and it has determined that it is more likely than not that all tax positions would be sustained upon examination by taxing authorities.

Form 990 - Organization's Mission
Austin Ed Fund supports Austin Independent School District by developing and stewarding meaningful public and private partnerships that promote innovation and support opportunities that prepare Austin ISD students for college, career and life.

Form 990, Part III, Line 4b - Second Accomplishment
Early Literacy and Numeracy: Literacy and numeracy are the cornerstones of long-term academic and life success. Austin Ed Fund's efforts in the area reach more than 30,000 students K-5 and 2,000 educators across 79 elementary schools. The initiative strengthens instruction by pairing high-quality instructional materials with ongoing professional learning for teachers and school leaders. Principals, assistant principals, and instructional coaches participate in job-embedded coaching and structured learning communities that enhance their ability to guide instruction. Six Lighthouse Schools serve as demonstration sites, sharing effective practices that are then scaled districtwide. These combined efforts ensure that students are receiving consistent, evidence-based instruction in reading and math, grounded in the science of learning. When these core skills are strong, students are more likely to thrive throughout their academic careers and beyond.

Form 990, Part III, Line 4c - Third Accomplishment
College and Career Readiness (CCR): Aims to increase student awareness by expanding college and industry workplace visits across the district. These efforts are designed to position students for post-secondary success. College and industry visits give students exposure to what's possible by helping them imagine themselves in different settings and careers. The Summer Internship Program provides students paid opportunities that help them gain professional experience with local business and non-profits that are aligned to Austin ISD career and technology education clusters. Over 100 students have participated in this program to date. The Post-secondary Gap Fund launched this summer and provides small emergency grants to Austin ISD graduates in pursuit of their post-secondary dreams. Our first student to receive funding was able to use the resources to assist in moving and travel expenses required to attend college out-of-state.
