INSPIRE THE FUTURE

LUNCHEON

Tuesday, October 20, 2026
JW Marriott Austin, 110 E 2nd. St., Austin TX 78701

The Inspire the Future Luncheon is Austin Ed Fund's signature annual fundraising event, designed to bring together 800 business, civic, and community leaders in support of Austin ISD students and educators. More than a traditional luncheon, it is a thoughtfully curated experience that highlights the power of public education and the impact of investing in students across K-12.

Attendees can expect a dynamic, story-driven program that centers the voices of students and educators. Through compelling storytelling, energetic student performers, meaningful moments with educators, and an address from the superintendent, the luncheon builds both emotional connection and confidence in the organization's ability to turn generosity into real opportunity.

The event is designed to leave guests inspired, informed, and motivated to invest in the future of Austin's students.
